REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicants' arguments, see page 18, lines 1-12, filed 5/6/05, have been fully considered and are persuasive. The rejections of claims 1, 5, 14, 32 of has been withdrawn. The claimed invention distinguishes over the prior art in that it requires "determining a position of the object in the object extraction target image using pixel based color feature matching". Such claimed feature, in combination with other features in the claims, renders the claims allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuoc Tran whose telephone number is (571) 272-7399. The examiner can normally be reached on MON-FRI.
